*Powerful Women of Praise is your women's group in the Inland Empire! Put yourself in touch with the resources you need for continued personal and spiritual*

Friendship is the catalyst for love and the foundation of every healthy relationship. God created us to need each other. We need friends and we need to be a friend – even as women in ministry. The emotional demands on women are vast. One of the ways God replenishes the emotional drains we experience is through friendships. Jesus placed great value on relationships. Many of you are lonely, struggling to find encouragement, someone who understands and is willing to invest time in your life. **You are not alone. We are many.**

## We have various options for your fellowship needs!

### WE ARE A DIVERSE GROUP OF WOMEN. HOW CAN WE HELP YOU?

**Fellowship** is communion with other believers in order to encourage one another's walk with the Lord. It is the love of Christ that can unite people from diverse backgrounds and with distinctive personalities so that they are able to call each other "sister."
